

J. Edward Moon - Ichabod (Tua Face)

Tom: C

Eu quis tomar tua glória pra mim
 E quando vi tua glória se foi

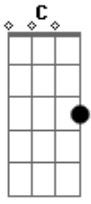

Senhor restaura tua honra em nós
 Senhor restaura tua luz em nós
 O simples brilho de te amar

Restaura em nós tua glória

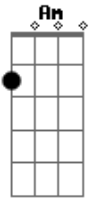

Que o céu retome o seu lugar aqui
 Que a nuvem de glória encha a casa
 E a igreja volte a ver

Tua face, quero ver tua face
 Estou disposto a morrer
 Pra tua glória em mim crescer
