

j-hope - Sweet Dreams (feat. Miguel)

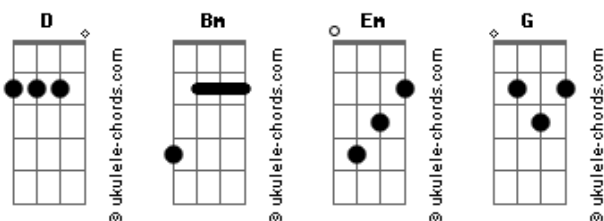

tom:
Yeah ^D
^D
Sweet dreams come after hours
^{Bm}
Nothin' that's not allowed
^{Em}
You should never sleep alone (sleep alone)
^{Em}
'Cause I'll always take you home (yeah, right)
^G
When there's nothin' left but diamond necklace (uh-huh)
On you, girl

^D
I just wanna love you like, love you like, love you like that, yeah
Love you like, love you like, love you like that, yeah
^{Bm}
Love me right, love me right, love me right back, yeah
Love me right, love me right, love me right back
^{Em}
You should never sleep alone
^{Em}
'Cause I'll always take you home
^G
When there's nothin' left but diamond necklace
On you, girl (oh)

^D
Any night, any time, you are my appetite
Double vision, Gemini, and it goes like this
^{Bm}
Take you home, take it slow, till you bite your lip
Got a movie in my mind and it goes like this
^{Em}
Closed curtains, open eyes
^{Em}
Lay down your skin on mine
^G
Leave all the rest to me
Yeah

^D
Sweet dreams come after hours (that's what they do)
^{Bm}
Nothin' that's not allowed (uh-huh)
^{Em}
You should never sleep alone (sleep alone)
^{Em}
'Cause I'll always take you home (yeah, right)
^G
When there's nothin' left but diamond necklace
On you, girl

Acordes

^D
I just wanna love you like, love you like, love you like that, yeah
Love you like, love you like, love you like that, yeah
^{Bm}
Love me right, love me right, love me right back, yeah
Love me right, love me right, love me right back
^{Em}
You should never sleep alone
^{Em}
'Cause I'll always take you home
^G
When there's nothing left but diamond necklace
On you (uh-huh), girl (oh)

^D
You the only cover that I need when I'm cold (cold)
You can have my body, with my heart and my soul (soul)
^{Bm}
You light up my life, you're like a diamond
Shinin', shinin', shinin', yeah
^{Em}
And we might never get to sleep tonight
^{Em}
I'll give you everything you need tonight
^G
This kind of love, I guarantee for life
Dreams gonna be sweet tonight (oh, yeah)

^D
Sweet dreams come after hours
^{Bm}
Nothin' that's not allowed
^{Em}
You should never sleep alone (sleep alone)
^{Em}
You should let me take you home (alright)
^G
Till there's nothing left but diamond necklace (yeah)
On you, girl

^D
I just wanna love you like, love you like, love you like that, yeah
Love you like, love you like, love you like that, yeah
^{Bm}
Love me right, love me right, love me right back, yeah
Love me right, love me right, love me right back
^{Em}
You should never sleep alone
^{Em}
'Cause I'll always take you home
^G
When there's nothing left but diamond necklace
On you, girl (oh)
