[Primeira Parte]

Am

I need

E

I need to ask

F7M

Have you moved on?

E

E7

Cuz I still haven't

[Segunda Parte]

Am

Have you

E

Have you found someone new?

F7M

Someone who wants you

E

E7

Someone who sweeps you off of your feet

[Refrão]

Am

Cuz I need to know where you've been

E

Are you still buying candies at 12:43?

F7M

You used to be all my life but

E

How can I be without you on my arms

Am

Yes I know you moved on

E

Your friend told me

F7M

'Bout that church boy with TikTok hair

E

E7

Now I want him dead

[Terceira Parte]

Am

You need

E

You need a lover

F7M

Someone who gets your humor

E

Someone who listens to the neighborhood

[Quarta Parte]

Am

I used to be

E

I used to be that guy

F7M

But my attention was misguided

E

E7

It wasn't towards you... Ohh

[Refrão]

Am

But I need to know where you've been

E

Is he going with you to buy candies at 12:43?

F7M

You used to be all my life but

E

How can I be without you on my arms

Am

Yes I know you moved on

E

Your friend told me

F7M

'Bout that church boy with TikTok hair

E

Now want him dead

( Am E F7M E E7 )

[Ponte]

Am

You showed me

E

What love could be

F7M

But I was a fool

E

E7

I couldn't see

Am

You said that I was the love of your life

E

F7M

And I know we were too young for this

E

E7

But now I feel all that... Love

Am

If only I knew

E

How much you meant for me back then

F7M

Maybe we would be together

E

E7

You wouldn't have left

Am

There's no way I could blame you

E

You only need someone who does their best for you

F7M

E

But I wasn't that someone

Am

I wish I could say I wish the best for you

E

And your lover

F7M

But it turns out that I'm so selfish

E

I want to for me and only me

[Refrão - end]

Am

So I need to know where you've been

E

I want to buy candies with you at 12:43

F7M

Now I know that you're my life so

E

E7

How can I be without you on my arms

Am

No I cannot move on

E

My friend told you

F7M

But I could be your church boy with TikTok hair

E

But loneliness

Am

Is all I get

E

Ohh

F7M E E7

Ohh
