

Jacinto Santos - Por Amor e Vocação

Tom: G

Nossos corações em festa

Se revestem de louvor,
Pois, aqui se manifesta

A vontade do Senhor
Que nos quer um povo unido

A serviço da missão
Animado e destemido
Por amor e vocação!

Cristo, Mestre e Senhor,

Pois, eterno é seu amor

Nesta fonte de água viva
Somos hoje seus convivas (Bis).

Nossos passos já se encontram

A caminho do altar
Nossas vozes já decantam

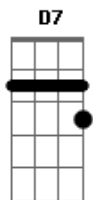

O que vimos proclamar
Neste mundo tão bonito

Mas que pede redenção
Nosso "sim" ao Deus bendito
Por amor e vocação!
