

Jack & Jack - No One Compares To You

tom:

Bbm (forma dos acordes no tom de Am)

Capostrate na 1ª casa

Thoughts of you and me keep passing by
 Like ships in the night, we never collide
 Need you here but after all this time
 You can't be replaced even if I tried
 I'm looking at her face but I'm seeing you I'm seeing you
 She's sleeping on your side, what can I do what can I do
 We should be heart to heart, my mind is on you
 I try, I really do

Every time I think I've found somebody
 I just wish that somebody was you
 There's no way that someone else could make me ever
 Feel the same way that you do
 No-one compares to you
 Make it hard for me to love again
 Oh, where do I start and when do you end?
 Even if I tell myself I can

I know that I'll break before I can bend, yeah

I'm looking at her face but I'm seeing you I'm seeing you
 She's sleeping on your side, what can I do what can I do
 We should be heart to heart, my mind is on you
 I try, I really do

Every time I think I've found somebody
 I just wish that somebody was you
 There's no way that someone else could make me ever
 Feel the same way that you do
 No-one compares to you

Every time I think I've found somebody
 I just wish that somebody was you
 Ooh, there's no way that someone else could make me ever
 Feel the same way that you do
 No, no one compares to you

No body , no body no
 No one compares to you
 No body , no body no
 No one compares to you
