tom:
 Capostraste na 1ª casa Db (forma dos acordes no tom de C)

Some people all about the dolla bill C
 It's quite a shame that ain't really
 How you oughta feel G
 It's all the same, every day, how you
 Gotta deal D
 With all the pain, but in time it is
 Gonna heal Em
 We never change for anybody that
 Would just be insane C
 Light a flame, rock it back and forth G
 Let me take you away
 With my words, I heard someone D
 Kicked it to the curb
 Keep your head held high, like you're Em
 Chiefin' on the herb
 Em
 It's absurd the way the dolla bill rules
 Life C
 Two types of people on this earth, who's right?

 Swing batta batta
 G
 Just another summers day, watch
 G
 The sun fade away
 D
 All I gotta say is we'll never change

 Get away from it all not a care in the world
 C
 Watch the sun hit the water as the waves curl
 G
 No plans but a drink in my hand
 D
 No shoes, no shirt, swimsuit, ray bans

 Get away from it all no one knows where we're hiding
