Jack Garratt - The Love You're Given

Tom: Db
Intro: Db Ab Bb Fm

```
              Db               Ab
Take all the love you're given
                        Bb     Fm
Through the gap in the wall
                        Db               Ab
Seal it tight with the light blue ribbon
                    Bb     Fm
Then unlock the door
                     Db          Ab
But your ego won't let you love
                        Bb        Fm
And your fear is your downfall
                        Db               Ab
If you won't take the love you're given
                     Bb     Fm
Then at least let me go
