

Jack Garratt - The Love You're Given

Tom: Db
Intro: Db Ab Bb Fm

Take all the love you're given
Through the gap in the wall
Seal it tight with the light blue ribbon
Then unlock the door
But your ego won't let you love
And your fear is your downfall
If you won't take the love you're given
Then at least let me go

N.C.
Please let me go

Please let me go
Please let me go
