

Jack Johnson - Angel / Better Together (medley)

Tom: Ab

(forma dos acordes no tom de E)

Capostrate na 4ª casa

Intro: C C Am F Dm G C

I've got an angel

She doesn't wear any wings

She wears a heart
That could melt my own

She wears a smile
That could make me want to sing

She gives me presents

With her presence alone

She gives me everything

I could wish for
She gives me kisses on the lips

Just for coming home

She can make angels

I've seen it with my own eyes

You've gotta be careful

When you've got good love

Cause them angels

Will just keep

On multiplying

You're so busy

Changing the world

Just one smile

You could change all of mine

We share the same soul

Oh, oh, oh, ohhh

We share the same soul

Oh, oh, oh, ohhh

Oh, oh, oh, ohhh

Umm, umm, umm, uhhhhhhmm

There's no combination of words

I could put on the back of a postcard

No song that I could sing but

I can try for your heart

C C

Our dreams and they are

Made out of real things

Like a shoebox of photographs

With sepia-toned loving

Love is the answer at least

For most of the questions in my heart

Why are we here? And where do we go?

And how come it's so hard?

It's not always easy and sometimes

Life can be deceiving

I'll tell you one thing

It's always better when we're together

[Refrão]

Hum it's always

Better when we're together

Yeah we'll look at the

Stars when we're together

Well it's always

Better when we're together

Yeah it's always

Better when we're together

(C C Am G)
(F F Dm G)

And all of these moments just might

Find their way into my dreams tonight

But I know that they'll be gone

When the morning light sings

Or brings new things

For tomorrow night you see

That they'll be gone too

Too many things I have to do

But if all of these dreams might find

Their way into my day to day scene

I'd be under the impression

I was somewhere in between

With only two, just me and you

Not so many things we got to do

Or places we got to be we'll sit

Beneath the mango tree now

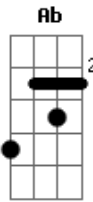

[Refrão]
