

Jack Johnson - Better Together

Tom: **G**

(primeira parte)

G **D**
There's no combination of words
Em **Em**
I could put on the back of a postcard
C **C**
No song that I could sing but
Am **D**
I can try for your heart
G **D**
Our dreams and they are
Em **Em**
Made out of real things
C **C**
Like a shoebox of photographs
Am **D**
With sepia-toned loving
G **D**
Love is the answer at least
Em **Em**
For most of the questions in my heart
C **C** **Am**
Why are we here? And where do we go?
D
And how come it's so hard?
G **D**
It's not always easy and sometimes
Em **Em**
Life can be deceiving
C **C**
I'll tell you one thing
Am **D**
It's always better when we're together

(refrão)

C
Hum it's always
D
Better when we're together
C
Yeah we'll look at the
D
Stars when we're together
C
Well it's always
D
Better when we're together
C
Yeah it's always
D
Better when we're together

G **D** **Em** **Em** **C** **C** **Am** **D**

(segunda parte)

G
And all of these moments just might
D **Em** **Em**
Find their way into my dreams tonight
C **C**
But I know that they'll be gone
Am **D**
When the morning light sings
G **D**

Or brings new things

Em **Em**
For tomorrow night you see
C **C**
That they'll be gone too,
Am **D**
Too many things I have to do

G
But if all of these dreams might find
D **Em** **Em**
Their way into my day to day scene
C **C**
I'd be under the impression
Am **D**
I was somewhere in between
G **D**
With only two, just me and you,
Em **Em**
Not so many things we got to do
C **C**
Or places we got to be we'll sit
Am **D**
Beneath the mango tree now

(refrão)

C
Yeah it's always
D
Better when we're together
C
Hum we're somewhere
D
In between together
C
Well it's always
D
Better when we're together
C
Yeah it's always
D
Better when we're together

(**G** **D** **Em** **Em** **C** **C** **Am** **D**)

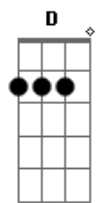

(terceira parte)

Am **D**
I believe in memories they look so,
Am **D**
So pretty when I sleep
Am **D**
And now when, and when I wake up
Am
You look so pretty
D
Sleeping next to me

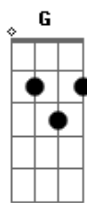

C **D**
But there is not enough time
C **D**
And there is no no song I could sing
C **D**
And there is no combination of words
C
I could say but I will still
D
Tell you one thing
We're better together

(**G** **D** **Em** **Em** **C** **C** **Am** **D**)
