

Jack Johnson - Crying Shame

Tom: E
 Intro: Gbm Abm

Its such a tired game
 Will it ever stop
 How will this all play out
 Upside out of my mouth

By now we should know
 How to communicate instead of coming to blows
 We're on a roll
 And there ain't no stopping us now
 We're burning under control
 Isn't it strange how

We're all burning under the same sun
 By now we say its a war for peace
 Its the same old game
 But do we really want to play?
 We could close our eyes its still there
 We could say its us against them
 We can try but nobody wins
 Gravity has got a hold on us all
 We try to put it out
 But its a growing flame
 Using fear as fuel
 Burning down our name
 And it wont take too long
 Cause words are burning same
 And who we gonna blame now?

And oh, Its such a crying crying crying shame
 Its such a crying crying crying shame
 Its such a crying crying crying shame, shame, shame

 By now
 It's beggining to show
 A number of people are numbers who aint coming home
 I can close my eyes its still there
 Close my mind be alone
 I can close my heart and not care
 But gravity has got a hold on us all
 It's a terrific price to pay
 But in the true sense of the word
 Are we using what we've learned?
 In the true sense of the word
 Are we losing what we were?
 Its such a tired game
 Will it ever stop?
 Is not for me to say
 And this in our blood?
 Or is it just our fate?
 And how will this all play out
 Upside out of my mouth
 And who we gonna blame?

On and on
 Its such a crying crying crying shame
 Its such a crying crying crying shame
 Its such a crying crying crying shame shame shame
