

# Jack Johnson - Crying Shame

Tom: E  
 Intro: Gbm Abm

Its such a tired game  
 Will it ever stop  
 How will this all play out  
 Upside out of my mouth

By now we should know  
 How to communicate instead of coming to blows  
 We're on a roll  
 And there ain't no stopping us now  
 We're burning under control  
 Isn't it strange how

We're all burning under the same sun  
 By now we say its a war for peace  
 Its the same old game  
 But do we really want to play?  
 We could close our eyes its still there  
 We could say its us against them  
 We can try but nobody wins  
 Gravity has got a hold on us all  
 We try to put it out  
 But its a growing flame  
 Using fear as fuel  
 Burning down our name  
 And it wont take too long  
 Cause words are burning same  
 And who we gonna blame now?

And oh, Its such a crying crying crying shame  
 Its such a crying crying crying shame  
 Its such a crying crying crying shame, shame, shame

 By now  
 It's beggining to show  
 A number of people are numbers who aint coming home  
 I can close my eyes its still there  
 Close my mind be alone  
 I can close my heart and not care  
 But gravity has got a hold on us all  
 It's a terrific price to pay  
 But in the true sense of the word  
 Are we using what we've learned?  
 In the true sense of the word  
 Are we losing what we were?  
 Its such a tired game  
 Will it ever stop?  
 Is not for me to say  
 And this in our blood?  
 Or is it just our fate?  
 And how will this all play out  
 Upside out of my mouth  
 And who we gonna blame?

On and on  
 Its such a crying crying crying shame  
 Its such a crying crying crying shame  
 Its such a crying crying crying shame shame shame
