

Jack Johnson - Cupid

Tom: A

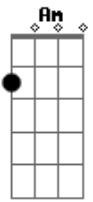

Well how many times must we go through this
 you've always been mine woman i thought you knew this
 how many times must we go through this
 you'll always be mine
 cause cupid only misses sometimes
 hmm hmms
 hmm hmms

well we could end up broken hearted
 if we don't remember why all this started
 and if they try to tell you that love fades with time
 tell them theres no such thing as time
 its our time
 its our time
 its our time
 its our time
 its our time
