## Acordes

(Riff 1)  
Shes just waiting for the summertime  
when the weathers fine  
and she could hitch a ride out of town  
and so far away  
from that low down, good for nothing  
mistake making fool with excuses like

(Riff 2)  
Baby that was a long time ago  
but thats just a euphemism  
if you want the truth he was out of control  
but a short time is a long time  
when your mind just wont let it go

Solo

(Riff 1)  
Well summer came along and then it was gone  
and so was she but not from him  
because he followed her just to let her know  
her dreams are dreams  
all this living is so much harder that it seems  
but girl dont let your dreams be dreams  
you know this living is not so hard as it seems  
dont let your dreams be dreams
