Tom: **G**  
Intro: **E A D G B E**

**G**  
Let's begin  
**D**  
With the past in front  
**Em**  
And all the things  
**Bm** **C**  
You really don't care about now  
**A**  
It'd be exactly where I'm at

**G**  
And to think  
**D**  
You got a grip  
**Em**  
Look at yourself  
**Bm** **C**

Your lips are like two flaps of fat  
**A**  
They go front and back and flappity flap  
**G**  
I'm all staged  
**D**  
It's all an act  
**Em** **Bm** **C**  
I'm really scared that I may fall back on the abstract  
**A**  
It'd be exactly where I'm at  
**G**  
If you're to be  
**D**  
The roaming eye  
**Em** **Bm** **C**  
Pry it open and let me tell you why it sees  
**A**  
The harsh realities
