D G

Fragments on the sea, birds of prey above

D G

All that lies beneath, no longer what is was

A G A

It changed, why can't we relate?

D G

Shadows from the deep, the thoughts we're afraid of

D G

Secrets that we keep, the surface of our love

A G A

And hate, why can't we relate

G A G A

With ourselves with what we open up when it's too late?

D G

What we used to be, what we will become

D G

Worlds we cannot see, breaking up by one

A G A

By one, slowly we fell under a spell

G A G A

One by one, slowly we wake up

D G

Fragments of a scene, from a distant stage undone

D G

Little time machine, messages of love

A G A

And hate, why can't we collate

G A G A

With ourselves with what we open up when it's too late?
