"This is a special song, this one, Zach wrote this song. It's called Girl I Wanna Lay You Down?"

Intro: {F Em Dm C }3x

F Em Dm
 {C Dm7 }4x

I come over, early in the morning
 Just like a heat wave, without warning
 And when I touch you, my heart begins to flutter
 Cause you're smooth and creamy, like peanut
 butter ohhh

Girl, I wanna lay you down
 Girl, I wanna lay you down

{F Em Dm C }3x
 F Em Dm

"Take it away Zach??"

Zach's SOLO

BASE: {C Dm7 }8x

I'm gonna flood you, like a love river
 Aww baby the postman, is about to deliver
 I cook you up some dinner, a little pasta
 Listen to some music, a little rasta

I said girl, I wanna lay you down
 I said girl, I wanna lay you down

Girl, I wanna lay you down

Daqui para frente não faz parte da música ao vivo, só da do A.L.O.

Bridge:

Ahhh baby, baby
 Don't you know I need your love?
 burning up my world

So turn out the lights, bring out the candles
 Wrap your arms around, my love handles
 They say that passion, may not always end old
 But this feeling that I have for you is
 burning up my world

Girl, I wanna lay you down
 I said girl, I wanna lay you down
 Girl, I wanna lay you down
 I said girl, I wanna lay you down
 I said girl, I wanna lay you down
 Girl, I wanna lay you down
 Girl, I wanna lay you down
 {F Em Dm C }3x
 F Em Dm

Obs.: Essa música não é muito conhecida mas tem um ritmo legal.

Fica melhor quando todos os acordes são feitos com pestana.
