Intro: E B (x3)  
(F#- B - Gb)

E B E

1 parte:

Back when all my little goals seemed so important

Every pot of gold fill and full of distortion

Heaven was a place still in space not in motion

Slide 1  
But soon

Slide 1:

Refrão:

I got you  
I got everything

I've got you  
I don't need nothing

More than you  
I got everything

I've got you

2 parte:

We went walking through the hills

Tryin' to pretend that we both know

Maybe if we save up

We can build a little home

But then the hell storm came and yelled,

"You need to let go, you've got no control. No."

Refrão:

I got you  
I got everything

I've got you  
I don't need nothing

More than you  
I got everything

I've got you

3 parte:

This weight's too much alone

Some days I can't hold it at all

You take it on for me

When tomorrow's too much

I'll carry it all  
Fill-In 2 x2

I've got you

And when tomorrow's too much

I'll carry it all

Slide 2 x2  
I got you

Slide 2:

Refrão:

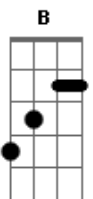

I got you  
I got everything

I've got you  
I don't need nothing

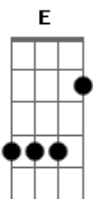

More than you  
I got everything

I've got you
