

# Jack Johnson - I Shall Be Released

tom:

They say everithing can be replaced  
 They say every distance is not near  
 So I remember every face  
 Of every man who put me here

I see my light come shining  
 From the west down to the east  
 Any day now, any day now  
 I shall be released

They say every man needs protection  
 They say every man must fall  
 Yet say that see my reflection

Somewhere so high above this wall

I see my light come shining  
 From the west down to the east  
 Any day now, any day now  
 I shall be released

Now yonder stands a man in this lonely crowd  
 A man who swears he's not to blame  
 And all day long O hear him shouting so loud  
 Just crying out that he was framed

I see my light come shining  
 From the west down to the east  
 Any day now, any day now  
 I shall be released
