

Jack Johnson - If I Could

Tom: A

riff1

riff2

riff3

riff 4

riff1

A brand new baby was born yesterday

riff2

Just in time

riff1

Papa cried, baby cried

riff2

Said your tears are like mine

riff1

I heard some words

From a friend on the phone

riff2

That didnt sound so good

riff1

The doctor gave him two weeks to live

riff3

riff3

Id give him more if I could

riff4

You know that I would now

riff4

If only I could

riff4

You know that I would now

riff1

If only I could

riff1

Down the middle drops one more

riff2

Grain of sand They say that

riff1

riff2

New life makes losing life easier to understand

riff1

riff2

Words are kind they help ease the mind, I'll miss my old friend

riff1

And though you've got to go we'll keep a piece of your soul

riff3

riff4

One goes out, one comes in

riff4

You know that I would now

riff4

If only I could

riff4

You know that I would now

riff1

If only I could
