tom:

Intro: G D A G  
G D A G

If ever if ever I could see you again  
A G  
Mhmmmm Mmmmm

If ever if ever I could see you again  
A G  
Mhmmmm Mmmmm

Won't you take me back  
D

To where we used to play  
A  
Hang on every word  
G  
Hang on every moment

I know you're in between now  
D  
And I know you can't stay  
A  
Gimme one more rising sun  
G  
Just one more setting moment

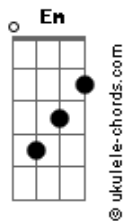

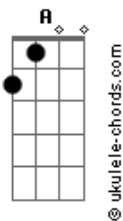

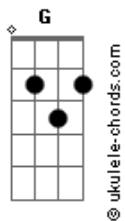

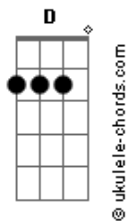

It felt so bright  
D  
I had to turn away  
A  
I turned back around  
G  
And the moment had been stolen

You?make magic out of nothing  
D  
You make my fears go away

But who will make the words  
A  
G  
Or find the answers for them

If ever if ever I could see you again
