## Guitar Intro

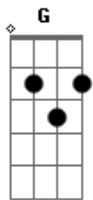

Em A repeat

Em  
Well he's not necessarily trying to say that he minds it  
A  
But someone plays evil tricks on that kid  
Em  
Well he's not necessarily trying to say god can't be trusted  
A  
But someone plays evil tricks on that kid  
Em  
As certain situations scream for deviations  
A  
But somehow we always get stuck in the middle  
Em  
Of this and that and then he should try less  
A  
Every time he's rejected then he loses affection  
C  
But don't we all, don't we just got to give a little time  
A D  
Maybe give a friend a call instead of  
Em D  
making him confused  
A D Em D  
What a terrible thing for you to do-ooo  
A D Em D  
What an awful thing for you to say-eee  
A D A  
What a terrible thing for you to relay  
G Gb F Em

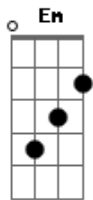

(bass intro and drums)

Em  
Well I know some people's they got a little less than nothing  
A  
Never still find some to spare  
Em  
And other people got more than they could use  
A  
But they don't share  
Em  
And some people got problems man  
A  
They got awful complications  
Em  
Other people got perfect situations  
A  
With no provocation  
C  
But don't we all, don't we just got to give a little time  
A D  
Maybe give a friend a call instead of  
Em D  
making him confused  
A D Em D  
What a terrible thing for you to do-ooo  
A D Em D  
What an awful thing for you to say-eee  
A D  
What a terrible thing for you  
Em D  
Confused  
A D Em D  
What a terrible thing for you to do-ooo  
A D Em D  
What an awful thing for you to say-eee  
A D A  
What a terrible thing for you to relay  
G Gb F Em  
4x  
then  
Somehow we always get stuck in the middle (repete)  
Confused, what an awful thing for you to do  
Confused, what an awful thing for you to say-ee
