

# Jack Johnson - My Little Girl

Tom: **D**

(refrão)

(verso)

Hey, little girl <sup>A7sus4 Bm(#5)</sup>  
 You might not know this song <sup>B7sus4 D</sup>  
 This is not the kind of song <sup>Bm7</sup>  
 That you can sing along to <sup>A</sup>  
 But hey, little girl <sup>A7sus4 Bm(#5)</sup>  
 Maybe some day <sup>B7sus4 D</sup>  
 least that's what all <sup>Bm7</sup>  
 The good people will say <sup>A</sup>  
 Hey, little girl <sup>G</sup>  
 Look what you've done <sup>Em</sup>  
 You've gone and stole my heart <sup>Bm</sup>  
 And made it your own <sup>A G</sup>  
 You've stole my heart <sup>Bm</sup>  
 And made it your own <sup>A G</sup>

Hey, little girl <sup>A7sus4 Bm(#5)</sup>  
 Black and white and right and wrong <sup>B7sus4 D</sup>  
 Only live inside a song <sup>Bm7</sup>  
 I will sing to you <sup>A</sup>  
 You don't ever have to feel lonely <sup>A7sus4 Bm(#5)</sup>  
 You will never lose any tears <sup>B7sus4 D</sup>  
 You don't have to feel any sadness <sup>Bm7</sup>  
 When you look back on the years <sup>A</sup>  
 How can I look you in the eyes, <sup>G</sup>  
 And tell you such big lies? <sup>Em</sup>  
 The best I can do is try to show you <sup>Bm A</sup>  
 How to love with no fear <sup>G</sup>  
 My little girl <sup>Em</sup>  
 You've gone and stole my heart <sup>Bm</sup>  
 And made it your own <sup>A G</sup>  
 You've stole my heart <sup>Bm</sup>  
 And made it your own <sup>A G</sup>
