

Jack Johnson - My Little Girl

Tom: D

(refrão)

(verso)

Hey, little girl ^{A7sus4 Bm(#5)}
 You might not know this song ^{B7sus4 D}
 This is not the kind of song ^{Bm7}
 That you can sing along to ^A
 But hey, little girl ^{A7sus4 Bm(#5)}
 Maybe some day ^{B7sus4 D}
 least that's what all ^{Bm7}
 The good people will say ^A
 Hey, little girl ^G
 Look what you've done ^{Em}
 You've gone and stole my heart ^{Bm}
 And made it your own ^{A G}
 You've stole my heart ^{Bm}
 And made it your own ^{A G}

Hey, little girl ^{A7sus4 Bm(#5)}
 Black and white and right and wrong ^{B7sus4 D}
 Only live inside a song ^{Bm7}
 I will sing to you ^A
 You don't ever have to feel lonely ^{A7sus4 Bm(#5)}
 You will never lose any tears ^{B7sus4 D}
 You don't have to feel any sadness ^{Bm7}
 When you look back on the years ^A
 How can I look you in the eyes, ^G
 And tell you such big lies? ^{Em}
 The best I can do is try to show you ^{Bm A}
 How to love with no fear ^G
 My little girl ^{Em}
 You've gone and stole my heart ^{Bm}
 And made it your own ^{A G}
 You've stole my heart ^{Bm}
 And made it your own ^{A G}
