

Jack Johnson - Posters

Tom: **A**
Intro: part 1

Intro: part 2
repeat x2

Also, instead of playing these two strings, you can slide a bar chords down the neck. It ends up as Hammer on a **Db** on the 9th fret, E bar chord on the 7th, **Eb** on the 6th, **Db** on the 6th, and a **B** on the second. Depends on what type of sound you want, I've (Reed) seen Jack do this one live, but he does the other one as well

Verso

Looking at himself but wishing he was someone else
Because the posters on the wall they don't look alike him at all
So he ties it up he puts it in, he pulls it back and gives a grin
Laughing at himself because he knows he ain't loved at all

Refrão

He gets his courage from the can,
It makes him feel like a man
Because he's loving all the ladies
But the ladies don't love him at all

Refrão

Cause when he's not drunk
He's only stuck on himself
And then he has the nerve

To say he needs a decent girl

Verso

Looking at herself but wishing she was someone else
Because the body of the dolly don't a-look like hers at all
So she straps it on, she sucks it in, she throws it up but gives a grin
Laughing at herself because she knows she ain't that at all

Refrão

Caug up in the trends
You know the truth began to bend
And the next thing you man
There just ain't no truth left at all

Cause when the pretty girl walks
She walks so proud
And when the pretty girl laughs
Oh man, she laughs so loud

Ponte

And if it ain't this then its that
As a matter of fact
She hasn't had a day to relax
Since she has lost her ability to think clearly

Intro: part 2

Verso

Well I'm an energetic apathetic version of another person
Check out my outsides there ain't nothing in here

Well I'm a superficial systematic music, television addict
Check out my outsides there ain't nothing in

A

Here comes another one, just like the other

B

Looking at himself but wishing he was someone else

Verso

Because the posters on the wall they don't a look alike a him
He ties it up he puts it in, he pulls it back and gives a grin
Laughing at himself because he knows he ain't loved at all
He knows he ain't loved at all
