

# Jack Johnson - Rodeo Clowns

Tom: **B**

(intro)

And the women keep on dancing with the clowns yeah yeah yeah  
 Pick me up when I'm down yeah yeah  
 Rodeo clowns yeah yeah yeah  
 Pick me up when I'm down yeah yeah

(verso)

The disco ball spinning all the music and the women  
 And the shots and tequila man they say that they need ya  
 What they really need  
 Is just a little room to breathe  
 A teeny boppin disco queen  
 She barely understands and dreams of belly button rings  
 And other kinds of things  
 Symbolic of change  
 But the thing that is strange is that the changes occur  
 And now she's just a part of the herd yeah yeah yeah  
 Man I thought that you heard yeah yeah  
 The changes occurred yeah yeah yeah  
 She's just a part of the herd yeah yeah

(refrão)

Lights out shut down late night wet ground  
 You walk by look at him but he can't look at you yeah  
 You might feel pity but he only feels the ground because  
 You understand booze but he only knows let down  
 By the corner there's another one  
 Reaching out a hand coming from a broken man  
 Well, you try to live but he's done tryin'  
 Not dead but definitely dyin'  
 With the rest of the clowns yeah yeah  
 Rest of the clowns yeah yeah

Sweeping the floors  
 Open up the doors  
 Yeah, turn on the lights  
 Getting ready for the night  
 Nobody's romancing  
 'Cause it's too early for dancing  
 But here comes the music.

Sweeping the floors  
 Open up the doors  
 Yeah, turn on the lights  
 Getting ready for the night  
 Nobody's romancing  
 'Cause it's too early for dancing  
 But here comes the music.

Bright lights flashing they cover up you  
 Like a so many people so many problems so many reasons  
 To buy another round drink it down just another night on the town  
 With the big man money man better than the other man  
 He got the plan with the million-dollar give a damn  
 When nobody understand he'll become a smaller man  
 The bright lights keep flashing

## Acordes
