Am Am7  
Well I was sitting, waiting, wishing

You believed in superstitions  
F F7 C C7  
Then maybe you'd see the signs

Am Am7  
But lord knows that this world is cruel  
G G7  
And I ain't the lord no I'm just a fool

Learning loving somebody don't make them love you

I gave your friends all a chance

Putting up with them wasn't worth never having you

These next few lines cause they're directed at you

But I'm already down

Just wait a minute
