

# Jack Johnson - Sitting, Waiting, Wishing

tom:

Db (forma dos acordes no tom de C )

Capostrate na 1ª casa

Intro: Am Am G G7  
F F7 C C7

[Primeira Parte]

Well I was sitting, waiting, wishing  
You believed in superstitions  
Then maybe you'd see the signs

But lord knows that this world is cruel  
And I ain't the lord no I'm just a fool  
Learning loving somebody don't make them love you

[Refrão]

Must I always be waiting, waiting on you?  
Must I always be playing, playing your fool?

[Segunda Parte]

I sang your songs, I danced your dance  
I gave your friends all a chance  
Putting up with them wasn't worth never having you

Oh maybe you've been through this before  
But it's my first time so please ignore  
These next few lines because they're directed at you

[Refrão]

I can't always waiting, waiting on you?  
I can't always be playing, playing your fool

[Terceira Parte]

I keep playing your part  
But it's not my scene  
Want this plot to twist  
I've had enough mystery  
Keep building it up  
But then you're shooting me down  
But I'm already down

Just wait a minute  
Just sitting, waiting  
Just wait a minute  
Just sitting, waiting

[Quarta Parte]

Well if I was in your position  
I'd put down all my amuntintion  
I'd wonder why it had taken me so long  
But the Lord knows that I'm not you  
And if I was I wouldn't be so cruel  
Cause waitin' on love ain't so easy to do

[Refrão Final]

Must I always be waiting, waiting on you?  
Must I always be playing, playing your fool?  
No I can't always waiting, waiting on you?  
I can't always be playing, playing your fool  
Fool.. uhhh
