

Jack Johnson - Upside Down

Tom: E

Intro: 2x:

uma batucada no violao)

Primeira Parte:

Who's to say

what's impossible

Well they forgot

this world keeps spinning

And with each new day

I can feel a change in everything

And as the surface breaks reflections fade

But in some ways they remain the same

And as my mind begins to spread it's wings

There's no stopping curiosity

Refrão:

I want to turn the whole thing upside down

I'll find the things they say just can't be found

I'll share this love I find with everyone

I don't want this feeling to go away

We'll sing and dance to mother nature's songs

I don't want this feeling to go away

Who's to say I can't do everything

Well I can try, and as I roll along I begin to find

Things aren't always just what they seem

I want to turn the whole thing upside down

I'll find the things they say just can't be found

I'll share this love I find with everyone

We'll sing and dance to mother nature's songs

I don't want this feeling to go away

This world keeps spinning

And there's no time to waste

Well it all keeps spinning spinning

Round and round and upside down

Who's to say what's impossible and can't be found

I don't want this feeling to go away

Acordes
