(intro) G F C G

When I look up at the stars

As I walk in the night

Down the street by my house It feels good

When I look up at the stars

As I walk in the night

Down the street by my house It feels good

The light from the moon

Is afraid of the ground

So it falls behind spaces

And hides behind clouds

When I look up at the clouds

As they move through the night with the wind

As I walk down the street

The light from the moon Is afraid of the ground

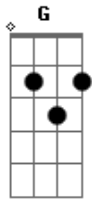

So I step on the shadows

Of my own feet
