And if you steal the fire, give me...

...some. 'Cause the...

- Verse 3 -

It feels...

...sun, dissipates...

- Verse 1 -

...right, it feels...

...while it waits, for a...

...wrong

...friend, to arrive

Feels like, when you have it, then it's...

From the...

...gone. I want...

...past, while it...

- Verse 2 -

...pulls, us around, and...

...more, more and...

...around, while we wait
