Jack Johnson - Whose To Say

Tom: E

All the chords in the song:

E
Who's to say, he's not the gifted one
Gb
Well I forgot, he's not the teachers son
E
No he's just the reason for her to say
Gb
That she needs a substance in her today

E
Well who's to say he's not going to see the sun
Gb
Well I forgot he's not the gifted one
E
No he's just a, another version of his dad
Gb

He'll learn to love things that he never

E   Gb   A B
All he ever does is walk alone
E   Gb A   B
Man he can only walk so far before
E   Gb   A B
All he ever does is look inside
E   Gb A   B
He don't need nowhere to hide

I know she is all that he ever loved at 17
Too bad to her he was a passing thing only temporary,
Until she finds someone with everything
Cause she's what we might call a sugar-queen
See her whole scene consists of diamond rings
But that's okay, probably better anyway
Cause now that he's free she might finally see that

All he ever does is walk alone
Man he can only walk so far before
All he ever does is look inside
He don't need nowhere to hide
