

# Jack Savoretti - Not Worthy

Tom: A

Rollin' and a rockin' on a late night  
 Trying to beat the devil at a fist fight  
 Looking for a friend in a bottle of red  
 Making up a word thats never been said  
 Waiting in line for the next fine  
 Making up a rhyme but it don't rhyme  
 Baby, I'm a loser at this game  
 If you could see me now you'd be ashamed of me, be ashamed of me  
 Cause I'm not worthy of your love  
 Im barely keeping up  
 Feels like every single day, all i ever do is say i'm sorry  
 I guess that i'm not worthy of your love  
 Every night living like a runaway  
 Trying to make it back for the break of day

I never learn from my mistakes  
 So much for my great escape  
 Put my future on the back burner  
 Grew up fast but i'm a slow learner  
 Only got myself to blame  
 If you could see me now you'd be ashamed of me, so ashamed of me  
 Cause I'm not worthy of your love  
 Im barely keeping up  
 Feels like every single day, all i ever do is say i'm sorry  
 I guess that i'm not worthy of your love  
 How could you possibly love someone like me?  
 A fool i'll always be  
 Cause I'm not worthy of your love  
 Im barely keeping up  
 Feels like every single day, all i ever do is say i'm sorry  
 I guess that i'm not worthy of your love
