

Jack Stauber - Dead Weight

tom:
 C
 I love what I can't see
 What's expected of you, what's expected of me?

Dm7
 Now it's quarter to three
 Let it all get away

Dm7
 Oh, what the hell can I do?

To fill the pages
 Meet the strangers

Dm7
 Kiss the girl, take it in, feel the ages
 A time or two

C7M
 But it's all so good

To let up

Dm7
 Dead weight (dead weight)

C7M
 Dead weight

Dm7
 Got everything I need

C7M

Acordes

Clothes on my back

The wind on my teeth

Dm7
 What I control is in me
 C7M
 There's more wood to burn

Dm7
 Oh, what the hell can I do?

To fill the pages (To fill the pages)
 C7M

Meet the strangers (Meet the strangers)

Dm7
 Kiss the girl, take it in, feel the ages

(Kiss the girl, take it in, feel the ages)
 A ride or two

 But I fall so good

When I go
