

# Jack Stauber - My Dumb Heart

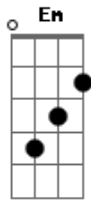

tom:  
 C  
 How late in the day  
 Em  
 Am I good to get away with making  
 F  
 One more cup of coffee  
 G  
 And a hundred more mistakes or so?  
 C  
 I'll meet you in the kitchen  
 Em  
 And then we could laugh at terrible  
 F  
 Things are always happening  
 G  
 And my dumb ol' body wants to hold you

My dumb heart is  
 C G  
 Overflowing with all that you need  
 Am  
 And my mouth jumps out when I'm lonely, baby  
 F Dm G  
 But my daydreams  
 C G Am  
 Put the temperature low and then it gets you confused  
 F  
 And I wish we were at Rossi's  
 F  
 And it's a painful day  
 F  
 And it's a painful day  
 G  
 And it's a painful day  
 C  
 When you have too much to say!
