

# Jackeline Carnall - Watch The Sunrise

tom: [Intro] A D E

A D E A

Don?t let distance get you down

When it?s nearly

Nearly an illusion

Though I can?t be there with you now

You will see me

See me in the morning

So hold your hand up high

Until this passes by

Hoo, There is nothing in the world that we can?t do

We are even more connected, me and you

And together we will watch the sunrise

( A D E )  
( A D E )

A A  
Empty street isn?t still there

It?s getting late now

Try and close your eyes

Brighter days will soon be here

If we hold on

Just a little longer

Everything you feel

I can also feel

D A E  
Hoo, There is nothing in the world that we can?t do

We are even more connected, me and you

And together we will watch the sunrise

Hoo, There is nothing in the world that we can?t do

We are even more connected, me and you

And together we will watch the sunrise
