

Jackson do Pandeiro - A Tuba da Muié

Tom: A

Intro: E A E E A
E A E E A

Lá vem chegando o zé marançaduba

Com sua bandinha para animar

A mulher dele é quem vem tocando tuba

Todos querem ver a tuba da mulher tocar

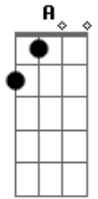

A sua sogra vem tocando bombardino

E o seu menino no ganzá faz o que quer

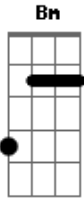

Mas o ponto alto da atração

Que provoca sensação é a tuba da "muié"
