

Jackson do Pandeiro - Mão Na Toca

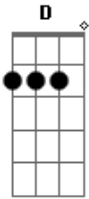

Tom: D

Quem sou eu pra pescar em cabo Frio
 Eu pesco mesmo é na praia do caju
 Naquelas bandas não existe Cocoroca
 Vou metendo a mão na toca

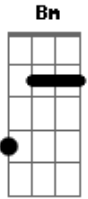

Vou pegando guaiamum

Na minha pescaria
 em vez de whisky
 Bebo cana pra chuchu
 Levo também um saco
 Meto a mão lá no buraco e vou pegando guaiamum
