

Jacob Bryant - Pour Whiskey On My Grave

Tom: D

When I'm gone don't bring me pretty flowers
 And sit and cry for me at my tombstone
 Come visit me in the midnight hours
 With your party on
 Think of me and recall all the good times
 Bring your memories in a bottle old Jim Beam
 Take a swig as the haunted honky tonk moon shines
 And remember me

Pour whiskey on my grave
 Let it seep into my bones
 Have a drink with me
 For even when I'm gone
 I'd do the same for you
 If you do the same for me
 Turn it up and take a shot
 Set my spirit free
 Don't forget the promise that you made (oooooooooh)
 Pour whiskey on my grave

When my time's up don't let the good times be gone
 Let me still go out like I wanted to go
 Kickin it up and drinkin with my boots on

With a rebel soul

Pour whiskey on my grave
 Let it seep into my bones
 Have a drink with me
 For even when I'm gone
 I'd do the same for you
 If you do the same for me
 Turn it up and take a shot
 Set my spirit free
 Don't forget the promise that you made (oooooooooh)
 Pour whiskey on my grave
