

Jacob Collier - Little Blue

Intro:
(Harmonicos)

Little blue, be my shelter
Be my cradle, be my womb
Be my boat, be my river
Be the stillness of the Moon

[Riff 1]

If I could, I'd go with you
To a place I never knew
In your eyes, so dark and open
There's a light that leads me back to you

[Riff 2]

Cause you're not so far away
I hear you say
You'll never walk alone

Don't be afraid of the dark
In your heart, you're gonna find a way
To carry the weight of the world
On your shoulders
You're gonna find a way home

[Ponte]

Little blue, be my anchor
Be my light, my compass star

Acordes

Be my darkness, be my danger
Be the strings of my guitar
Little blue, how I love you
Something strong and something true
In your arms, so dear and gentle
There's a home that leads me back to you

Cause you're not so far away
I hear you say
You'll never walk alone

Don't be afraid of the dark
In your heart, you're gonna find a way
To carry the weight of the world
On your shoulders
You're gonna find a way
Don't be afraid of the dark

In your heart, you're gonna find a way
To carry the weight of the world
On your shoulders
You're gonna find a way home

(Gonna find a way home)

(Gonna find your way home)

(In your eyes)

(Gonna find a way home)

(In your eyes)

(On your shoulders)
