[Primeira Parte]

There's a patch of sunlight in my room  
On the carpet where I held you for a moment in June  
There was something so sweet about it  
Never been so unguarded  
And it made me fall for you  
There's a tree that looks up at the moon  
In the garden, where I held you for a moment in the gloom  
There was something so sweet about it  
I'm holding onto this moment  
'Cause it made me fall for you, ooh  
Made me fall for you

[Refrão]

Take me back to the window, take me back to the door  
You'll be right where I left you, sitting on the floor  
Now I'm never gonna be alone  
Mm, mmm  
Take me back to the window, take me back to the door  
You'll be right where I left you, sitting on the floor

Now I'm never gonna be alone

[Segunda Parte]

And I know, I know  
So much I want to say to you  
Even though I know  
Nothing's gonna change  
But I'll always find my way back here to you

[Refrão]

Take me back to the window, take me back to the door  
You'll be right where I left you, sitting on the floor (Ooh)  
Now I'm never gonna be alone  
(Never gonna be alone, never gonna be alone, be alone)  
..Take me back to the window, take me back to the door  
You'll be right where I left you, sitting on the floor  
Now I'm never gonna be alone

[Final]

There's a patch of sunlight in my room  
On the carpet where I held you for a moment
