

Jacob Lee - Home

tom:
 Capostraste na 3ª casa **Bb** (forma dos acordes no tom de **G**)

G
 I found love in a moment
D
 I watched your breath as it touched the wind

As it painted the open air
Em
 And it came to rest on my skin

I don't know if you noticed
G
 But I found my heart in that moment

G
 As we stood by the ocean
D
 You reached for my hand and you said my name

Every word I heard poetry
Em
 I saw laughter upon your face

I don't know if you noticed
G
 But I left my heart in that moment

C
 With your arms on my shoulders
D
 And that look in your eyes

Em **D**
 I knew you and I were the same

C
 There I danced in your aura
D **Em**

Where you led me inside
D
 Guiding me into somewhere safe

G **D**
 I've found home (oh, oh)

Em **D**
 I've found home

G
 I've found home

There we lay by the water
D
 Almost asleep as I heard you say

I don't know if we're meant to be
Em
 Though this certainly feels like fate

I don't know if you noticed
C
 But I fell in love in that moment

C
 With your head on my shoulders
D

And that look in your eyes
Em **D**

I knew you and I were the same
C

There I danced with your aura
D **Em**

As you led me inside
D
 Guiding me into somewhere safe

G **D**
 I've found home (oh, oh)

Em **D**
 I've found home

G
 I've found home
