

Jacob Lee - Secrets

tom:

Intro: A

I know A

We belong here A

I'm searching for a reason to come home D

I won't A

Let our hearts grow old Abm

Until we're all alone A

And all we have is all we'll ever need D

I know we aren't A

Where we said we'd be A

When we were 17

But I feel safe here Gbm

Lay with me Abm

The stars watch us tonight A

(A)

I'll stay A

For as long as you will know Dbm

I'm searching for a reason to call home D

And I won't A

Let our hearts collide Abm

Until the moment's right Gbm

And all we are is all we'll ever be D

I know we aren't E

Where we said we'd be A

When we were 17

But I feel safe here D

Lay with me A

The stars watch us tonight Bm

That's okay with me D

Tell me all your secrets A

Till the sun comes up E

Know that I will keep them Bm

Till we are old enough D

Show me all your pictures A

Of how we fell in love Abm

So we can go back to the start D

A Dbm D A

Lay my heart by your side tonight Dbm D

We seem to believe in a better life A E Dbm D

Place my hand by your heart tonight A Dbm Bm

Feel your heart beat as we shut our eyes D

Tell me all your secrets A

Till the sun comes up E

Know that I will keep them Bm

Till we are old enough D

Show me all your pictures A

Of how we fell in love Abm Bm

So we can go back to the start D

Tell me all your secrets A

Till the sun comes up E

Know that I will keep them Bm

Till we are old enough D

Show me all your pictures A

Of how we fell in love Dbm D

So we can go back to the start D

I know we aren't Abm

Where we said we'd be A

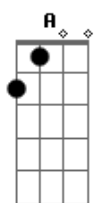

When we were 17 D

But I feel safe here Abm

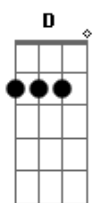

Lay with me

The stars watch us tonight
