

# Jade Eagleson - Got Your Name On It

tom:  
 G  
 There's a spot in my drive way  
 Em7 C  
 Where you can park your car  
 G C  
 I know a place off the high way  
 Em7 C  
 Where there is a sky full of stars, it ain't far.  
 G C Em7 C  
 Got a bottle of red wine, just waiting for the right night.  
 G C  
 The right girl, the right time.  
 Em7 C  
 Sounds good don't it?

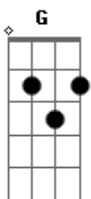

G  
 Well, it got your name on it  
 C  
 If you want it  
 Em7  
 Every day i got left  
 C  
 Every dollar in my pocket  
 G C Em7  
 That shotgun side of my F 1 5 0  
 C  
 Girl, you know  
 G  
 I want you in it  
 C  
 Every minute  
 Em7 C  
 Got a front porch seat for ya girl, if you can swing it

 My start, my end, my heart, my hand  
 Em7 C  
 You could have it right now if you want it  
 G C Em7 C

G C  
 Got a little space on the right side  
 Em7 C  
 Of this king size bed  
 G C Em7 C  
 And there's three little words I... ain't ever said yet  
 G C  
 I'd spell it out in a tatto  
 Em7 C  
 On my arm just for you  
 G C  
 Right there in plain view  
 Em7 C  
 So the whole world knows it  
 (Knows it, knows it)  
 G  
 'Cause it got your name on it  
 C  
 If you want it

 You might as well own it  
 (Own it, own it)
