

jxdn - Angels & Demons

tom:
 B (forma dos acordes no tom de C)
 Afinação: Eb Ab Db Gb Bb Eb

Two faced, two faced, yeah
 Black, white, left, right, yeah
 Up, down, all night, yeah
 Can't escape it ever

Don't forget my name
 I dont feel the same
 On the trip, no train

And all these angels and demons
 Keep shouting and screaming
 I'm falling from Eden

So fuck me like a rockstar
 Dancing on a cop car
 Nothing in the world
 Can stop me now
 Fucked up like a rockstar
 Riding in a cop car
 No one in the world
 Can help me out

Everybody said that I'm falling
 Took another line, I'm calling
 I'm so sick of the nonsense
 I'ma dive into the mosh pit

I don't really think I'm the problem
 I don't really think its a problem
 Me plus me is a problem
 One gunshot could solve them

Tell my friends I'm sorry though
 Tell my sins to go

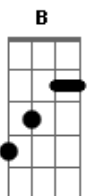

And all these angels and demons
 Keep shouting and screaming
 I'm falling from Eden

So fuck me like a rockstar
 Dancing on a cop car
 Nothing in the world
 Can stop me now
 Fucked up like a rockstar
 Riding in a cop car
 No one in the world
 Can help me out
 (Rockstar, rockstar)

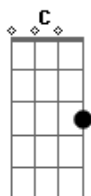

And all these angels and demons
 Keep shouting and screaming
 I'm falling from Eden

So fuck me like a rockstar
 Dancing on a cop car
 Nothing in the world
 Can stop me now
 Fucked up like a rockstar
 Riding in a cop car
 No one in the world
 Can help me out
 So fuck me like a rockstar
 Dancing on a cop car
 Nothing in the world
 Can stop me now
 Fucked up like a rockstar
 Riding in a cop car
 No one in the world
 Can help me out
 (Rockstar)
