

# jxdn - Angels & Demons

tom:  
 B (forma dos acordes no tom de C )  
 Afinação: Eb Ab Db Gb Bb Eb

**Dbm**  
 Two faced, two faced, yeah  
**Dbm**  
 Black, white, left, right, yeah  
**A**  
 Up, down, all night, yeah  
**A**  
 Can't escape it ever

**Dbm**  
 Don't forget my name  
**Dbm**  
 I dont feel the same  
**A**  
 On the trip, no train

**Dbm**  
 And all these angels and demons  
**Dbm**  
 Keep shouting and screaming  
**A**  
 I'm falling from Eden

**Dbm**  
 So fuck me like a rockstar  
**E**  
 Dancing on a cop car  
**A**  
 Nothing in the world  
**B**  
 Can stop me now  
**Dbm**  
 Fucked up like a rockstar  
**E**  
 Riding in a cop car  
**A**  
 No one in the world  
**B**  
 Can help me out

**Dbm**  
 Everybody said that I'm falling  
**Dbm**  
 Took another line, I'm calling  
**A**  
 I'm so sick of the nonsense  
**A**  
 I'ma dive into the mosh pit

**Dbm**  
 I don't really think I'm the problem  
**Dbm**  
 I don't really think its a problem  
**A**  
 Me plus me is a problem  
**A**  
 One gunshot could solve them

**Dbm**  
 Tell my friends I'm sorry though  
**A**  
 Tell my sins to go

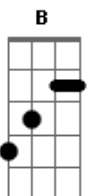

**Dbm**  
 And all these angels and demons  
**Dbm**  
 Keep shouting and screaming  
**A**  
 I'm falling from Eden

**Dbm**  
 So fuck me like a rockstar  
**E**  
 Dancing on a cop car  
**A**  
 Nothing in the world  
**B**  
 Can stop me now  
**Dbm**  
 Fucked up like a rockstar  
**E**  
 Riding in a cop car  
**A**  
 No one in the world  
**B**  
 Can help me out  
 (Rockstar, rockstar)

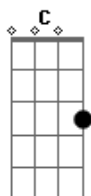

**Dbm**  
 And all these angels and demons  
**Dbm**  
 Keep shouting and screaming  
**A**  
 I'm falling from Eden

**Dbm**  
 So fuck me like a rockstar  
**E**  
 Dancing on a cop car  
**A**  
 Nothing in the world  
**B**  
 Can stop me now  
**Dbm**  
 Fucked up like a rockstar  
**E**  
 Riding in a cop car  
**A**  
 No one in the world  
**B**  
 Can help me out  
**Dbm**  
 So fuck me like a rockstar  
**E**  
 Dancing on a cop car  
**A**  
 Nothing in the world  
**B**  
 Can stop me now  
**Dbm**  
 Fucked up like a rockstar  
**E**  
 Riding in a cop car  
**A**  
 No one in the world  
**B**  
 Can help me out  
 (Rockstar)
