

Jaden Smith - Fallen

Tom: D

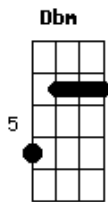

Take me to the truth **Dbm** **Bm**
 Take me home with you **Dbm** **Bm**
 Change my taste in music **Dbm** **Bm**
Bm
 I'm fallen, make me rise with you **Dbm**
Bm
 She likes me, I'm surprised you do **Dbm** **Bm**
 (**Dbm Bm**)
 Look, your love's like a river, bae
 I've seen better days, yeah
 And my soul, you penetrate
 I need your energy
 Vibrations make me levitate
 Sipping hennessy
 Reading bell hooks, she just saying
 I'm surprised you do, baby **Dbm** **Bm**
Bm
 I won't lie to you, I love you **Dbm** **Bm**
 I'm a guy who's new **Dbm** **Bm**
 Hide me from the blue **Dbm** **Bm**
 I'm dying on the moon **Dbm** **Bm**
 And I just need you **Dbm** **Bm**
 (**Dbm Bm**)
 Baby, you are so unusual
 Like cutting cuticles
 But that is just what makes you beautiful
 Like watching tulips grow
 When you walk, it's just slow motion baby
 Why you moving slow?
 When you talk
 I got my lasers on you like a ufo
 Girl your eyes are like the open sea
 The simple poetry
 This whole generation, omg
 I see its soul, it's older

We should build a city overseas
 This country kinda cold
 I mean they feed they children dopamine
 And leave them on the sofa
 I mean, ah
 I need someone to renounce with, woah
 Ice bucket challenge in the fountain, woah
 Chance of finding you
 One in a hundred thousand, woah
 I just wanna kiss you on the mouth, woah
 Spend some time with you **Dbm** **Bm**
 I might bend the rules **Dbm** **Bm**
 Cause I'm in love with you **Dbm** **Bm**
 You can see the truth **Dbm** **Bm**
 I will show you soon **Dbm** **Bm**
 Just meet me on the moon **Dbm** **Bm**
 (**Dbm Bm**)
 She said love is a strong word
 Said, love is a strong word
 Well I'm a sing it for you baby
 I'll be your song bird
 If we don't have no loving
 How we supposed to move on, word?
 Heard a brother just got shot
 Because he stopped on the wrong curb
 If love is a strong word
 Love is a strong word
 But we'll need lots of loving
 If we wanna move on, word
 And I'm a sing it to you
 Baby, I'll be your song bird
 But I'm a keep it honest with you
 I won't lie to you **Dbm** **Bm**
 My pride dies with you **Dbm** **Bm**
 Girl, I love you too **Dbm** **Bm**
 I will see you soon **Dbm** **Bm**
 Your homework is due
