

Jaden Smith - Fallen

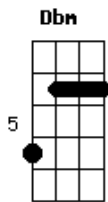

Tom: D

Take me to the truth	Dbm	Bm	We should build a city overseas
Take me home with you			This country kinda cold
Change my taste in music	Dbm	Bm	I mean they feed they children dopamine
I'm fallen, make me rise with you			And leave them on the sofa
She likes me, I'm surprised you do	Dbm	Bm	I mean, ah
(Dbm Bm)			I need someone to renounce with, woah
Look, your love's like a river, bae			Ice bucket challenge in the fountain, woah
I've seen better days, yeah			Chance of finding you
And my soul, you penetrate	Dbm	Bm	One in a hundred thousand, woah
I need your energy			I just wanna kiss you on the mouth, woah
Vibrations make me levitate			
Sipping hennessy			Spend some time with you
Reading bell hooks, she just saying	Dbm	Bm	I might bend the rules
I'm surprised you do, baby			Cause I'm in love with you
I won't lie to you, I love you	Dbm	Bm	You can see the truth
I'm a guy who's new			I will show you soon
Hide me from the blue	Dbm	Bm	Just meet me on the moon
I'm dying on the moon			(Dbm Bm)
And I just need you	Dbm	Bm	She said love is a strong word
(Dbm Bm)			Said, love is a strong word
Baby, you are so unusual			Well I'm a sing it for you baby
Like cutting cuticles			I'll be your song bird
But that is just what makes you beautiful			If we don't have no loving
Like watching tulips grow			How we supposed to move on, word?
When you walk, it's just slow motion baby			Heard a brother just got shot
Why you moving slow?			Because he stopped on the wrong curb
When you talk			If love is a strong word
I got my lasers on you like a ufo			Love is a strong word
Girl your eyes are like the open sea			But we'll need lots of loving
The simple poetry			If we wanna move on, word
This whole generation, omg			And I'm a sing it to you
I see its soul, it's older			Baby, I'll be your song bird
			But I'm a keep it honest with you
			I won't lie to you
			My pride dies with you
			Girl, I love you too
			I will see you soon
			Your homework is due
