 Call on me, anytime you want to
 Call on me baby girl I want you, ah huh

 She was nine and I was ten
 She used to be, my next door neighbor
 She even went to school with my sister Makayla yeah
 Now were two grown folks, years gone by and we still keep
 close
 Loving me, I'm loving her the same
 I just want you to know that I love you so oh

Anytime you need a lover call on me, my heart is aching
 Call on me, anytime you want to

 I fell in love the first time I saw you
 And I don't ever worry cause I know can call you yeahh
