Just like Marcus Garvey say

Live inna situation

Wea me father never want

And now I man

Pray and chant, pray and chant

Burning babylon system I live

For many miles and many years

Now you say you not african!

We live inna situation

Our forefathers desire

And now I n I against it

If we are atill here like slaves

Million miles, many years

How will anybody say

That we are not africans

Make yourself realise

That the men imorality

Is them ability

I n I a go back to Afrika

I n I a go back to Afrika

I n I a go back to Afrika

Afrika is the place

Where all of us come from

I n I a go back to the way of heart

Just like Marcus Garvey say

Live inna situation

Wea me father never want

And now I man

Pray and chant, pray and chant

Burning babylon system I live

For many miles and many years

Now you say you not african!

But the old bone

Is a Afrika one

But the old bone

I n I a go back to Jerusalem

I n I a go back to Afrika

Because the mother of creation is crying

Feeling like a baby

Feeling like a baby

Mother of creation is crying ... crying

And me go now
